

Our Vision: 'to provide well-trained educationalists to help students explore and engage with the Bible and engage its message for valuable social and life skills'

Our Mission: 'to see all students engage with the Bible as a primary text that has shaped civilisation and their own culture as words of life for hope'.

SRE COORDINATOR

SHOALHAVEN REGION

THREE16 Shoalhaven is a partnership of local Christian churches and Christians in the Shoalhaven (South Coast of NSW, centred on Nowra) who employ SRE teachers for four local public high schools (Bomaderry, Nowra, Shoalhaven and Vincentia High Schools).

Changing dynamics in schools provide the opportunity to develop innovative new approaches to the development and delivery of SRE to our high school students.

THREE16 Shoalhaven is seeking a dynamic leader to assist its teaching team and Management Committee to develop, promote and implement periodic in-school seminars and other SRE-related in-school activities with a view to increasing engagement with students and participation rates.

Applicants must:

- have a valid Working With Children Check Clearance and commitment to the Child Safe Principles;
- have teaching qualifications and/or suitable experience leading high school age students;
- be a committed church attendee;
- commit to the THREE16 Shoalhaven Vision, Mission and Statement of Faith; and
- satisfy the Department of Education teacher vaccination requirements

It is desirable for applicants to

- have theological or Bible College qualifications;
- Mental Health First Aid certificate;
- Pastoral Care qualifications; and
- Current Safe Church / Safe Ministry recognition

Hours of work will be mutually arranged. The position may be part or full time.

We are seeking a committed Christian with a passion for teaching young people about the Christian faith using the Bible as the foundational text.

Enquiries to the THREE16 Secretary by email to secetsec@gmail.com

Please contact the Secretary to obtain a copy of the THREE16 Job Application package.

Applications must be made using the THREE16 Job Application package and returned by 15 April 2022.
